The screenshot shows the ActInSpace user dashboard. On the left is a navigation menu with 'DASHBOARD', 'DISCUSSIONS', 'WEBSITE', and 'LOGOUT'. The main area is titled 'MY DASHBOARD' and contains a purple box with the text: 'New questions from participants', 'Yellow color means the question is unanswered since 15 minutes', and 'Red color means the question is unanswered since 20 minutes'. Below this is a section for 'List of started discussions'. At the bottom left are 'GET IT ON Google play' and 'Download on the App Store' buttons. Annotations include a blue arrow pointing from the 'WEBSITE' menu item to the text 'You can go directly to the website and consult the challenges', and another blue arrow pointing from the 'DISCUSSIONS' menu item to the text 'List of started discussions'. A third blue arrow points from the purple box to the text 'List of pending questions'.

You can go directly to the website and consult the challenges

Pay attention of the color of the clock. Start by answering the questions in red

All experts who have chosen the same tags or the same challenges see the same questions. Once you choose to answer a question, it disappears from the dashboard of the other experts

just asking a new question in really any tag

Here you will find the list of the conversations you're having with the teams. Only you have access to these questions.

The screenshot shows a user interface for a 'LIST OF CONVERSATIONS'. At the top right, there are links for 'WEBSITE' and 'PROFILE'. The main title is 'LIST OF CONVERSATIONS'. Below this is a purple header for 'Your current conversations with teams'. Three conversation items are listed:

- OBSERVATION & POSITIONING / AIRBUS03 - How to observe a test?**
Conversation #hEgyBNSYirz4FZCtp updated 6 days ago
by LaTESTteam (3 messages)
- COMPUTER SCIENCE / CNES13 - je sais pas répondre**

Here you can decide to start a conversation with the team by clicking on 'answer the question'.

As soon as you click on 'answer the question', the question disappears from the dashboard.

You can also come back to the dashboard and pick up another question

The screenshot shows the ActInSpace dashboard interface. On the left is a navigation menu with options: DASHBOARD, DISCUSSIONS, WEBSITE, and LOGOUT. Below the menu are buttons for Google Play and the App Store. The main content area is titled "CONVERSATION ABOUT 'OBSERVATION & POSITIONING'". It features a question titled "question à clore" by user "Sister" with conversation ID "#m2NqYm9p9JrTzGW9F". A purple callout box explains that clicking "answer the question" removes the question from the dashboard and starts a conversation. Below this is a dark purple button labeled "Answer the question". A response from "ActInSpace System" (Expert1bis) states: "Expert1bis doesn't know how to answer to your question, he's sent your question to another expert".
