

Chateaubriand Fellowship: Call for Applications 2022-2023 Deadline January 14

Chateaubriand Fellowship Program

Science, Technology,
Engineering, Math
& Health

The [Chateaubriand Fellowship](#) in **Science, Technology, Engineering, Mathematics & Health** for doctoral students aims to initiate or reinforce collaborations, partnerships or joint projects between French and American research teams. The Chateaubriand Fellowship supports PhD students registered in an American university who wish to conduct part of their doctoral research in a French laboratory.

This fellowship is offered by the Office for Science & Technology (OST) of the Embassy of France in Washington in partnership universities and research organizations in France and the United States such as [Inria](#), [Inserm](#) and [Université Paris-Saclay](#). It is a partner of the National Science Foundation's [GROW program](#).

Dates : The call for applications is now open for fellowships starting during the 2021-2022 academic year.

Deadline : **January 14, 2022 at 12pm (noon) EST**
